

REMARKS

The specification has been amended to correct minor clerical errors and employ more idiomatic English consistent with changes made in the parent. Also, a cross reference to the parent has been added to the specification.

Claims 17-23 have been added to further scope the invention, and find support in the original specification. Claims 1-2 and 12-14 have been canceled. The filing fee has been calculated based on the claims, as amended.

The drawings have been amended to conform to changes made in the parent.

No new matter is believed entered by any of the foregoing amendments.
